

To Whom It May Concern:

It is my pleasure to provide a reference for Martin Chamberlain.

I am the former President of ABC Entertainment and Studios, and Owner of Promise Wine, a high end boutique winery located in St. Helena, Calif. www.promisewine.com.

Martin was employed by Promise Wine as an Estate/Ranch and Property Enhancement Project Manager in Napa Valley, Calif., where he performed his responsibilities of wine business operations, land management and development, animal care, etc., with the highest level of professionalism, maturity and dependability.

In my 30+ years in business, I have rarely encountered an individual who is higher in integrity and harder working than Martin. His work ethic, communication skills and positive attitude are stellar.

I am happy to speak further with anyone considering him for employment. He is an exceptional employee and an even better person.

Please don't hesitate to contact me for further discussion.

Sincerely,

Steve McPherson
